The BatBox

The BatBox is unique in that it is the only storage system which can be suspended from the ceiling or be placed on legs.

- Units are height adjustable, to ensure vehicles can fit comfortably underneath.
- Your BatBox is a lifelong investment.
- **Convert expensive dead space into valuable storage space**

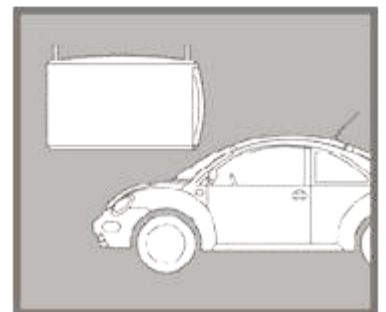

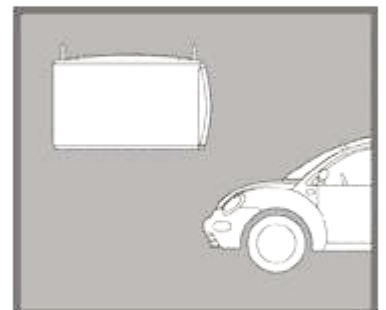

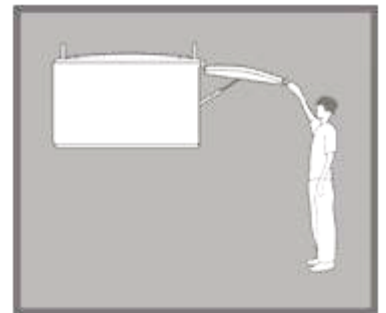

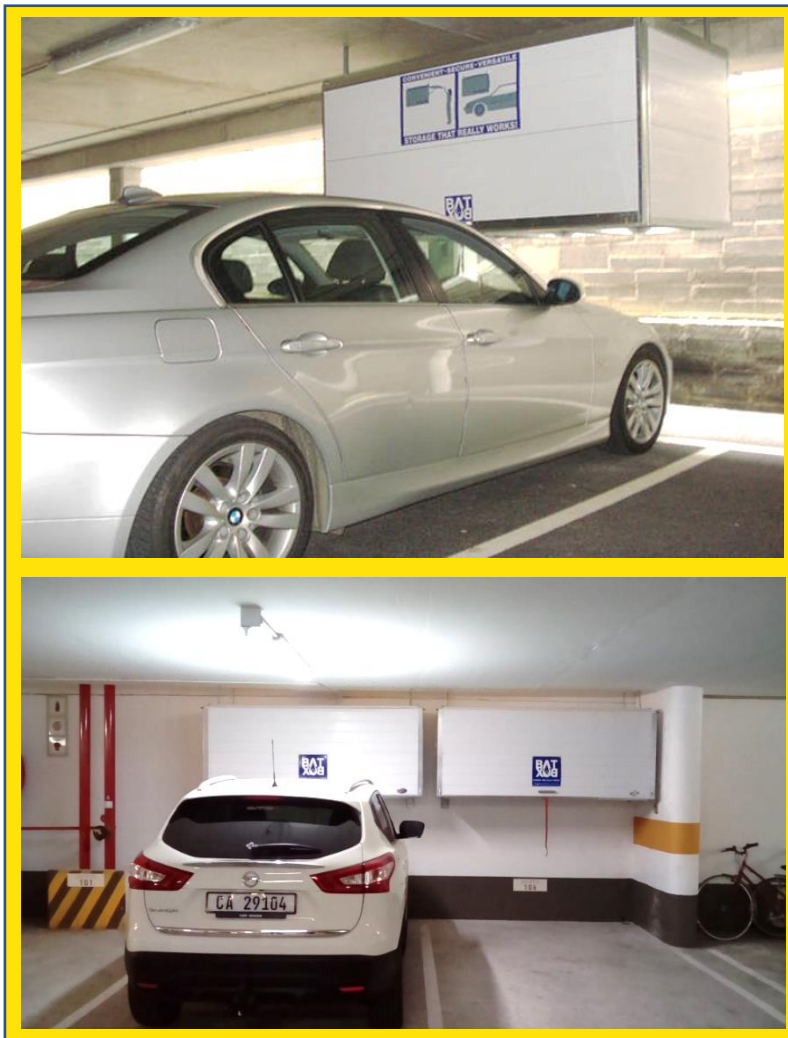

Installation

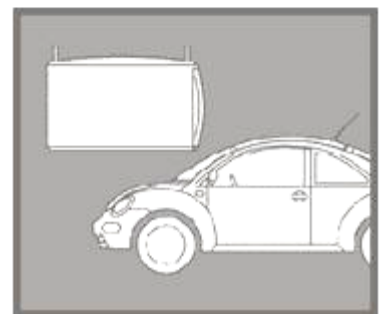

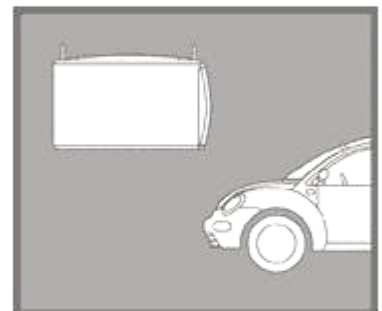

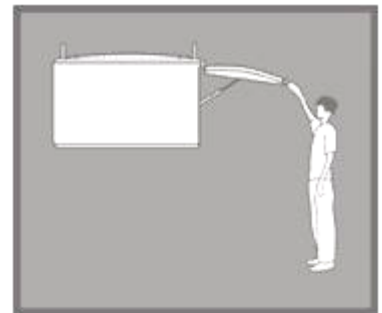

- Four 15mm holes in the ceiling is all that is required
- Twin stabilizing brackets are installed against the back wall
- Normal installation takes 2-3 hours to complete.

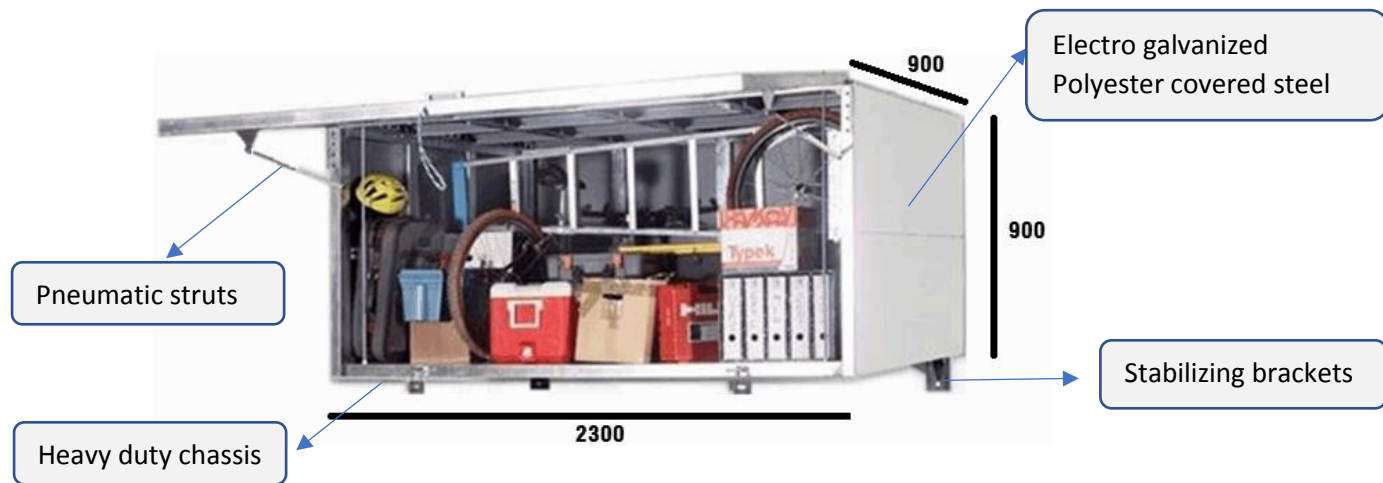

it JUST makes SENSE!
